62nd Annual Science Fair Results for ECSD
40 Students Selected For State Fair

Pensacola, FL: The 62nd West Panhandle Science and Engineering Fair was held recently at the University Of West Florida. There were 148 projects entered in this year's fair. Schools from Escambia and Santa Rosa Counties were represented.

The results for Escambia County School District competitors is listed below by category, division, rank, student's name and their instructor's name. Special awards are at the end of the list. An asterick (*) by someone's name indicates students recommended by the judges to continue on to compete at the 62nd Florida State Science and Engineering Fair. "The UWF judges hand select students based on their impression of the project and their (the student's) defense of it," Adam Bretschneider, Science Fair Director explained.
