**Applicants Sought for Baseball Season Parking Program**

The City of Pensacola Parks and Recreation Department and the Community Maritime Park Associates would like to invite non-profit organizations to participate in the fourth year of the Community Maritime Park Volunteer Parking Program.

This program gives local non-profits the opportunity to gain exposure as well as raise funds for their organization at one of the Blue Wahoos five-game home stands this summer. There are a total of fourteen home stands and non-profits are allowed to volunteer for one home stand per season.

The volunteer parking program has helped non-profits raise over \$58,000 for local initiatives since its inception in 2014. Details about the program including home stand dates and the program application can be found online at [PensacolaCommunityMaritimePark.com](http://PensacolaCommunityMaritimePark.com).
