BIS EXPANDS PROJECT AND PURCHASING DEPARTMENT WITH NEW HIRE

Robertsdale, AL (September 21, 2016) – Business Information Solutions (BIS), experienced IT security company on the Gulf Coast, expands their project and purchasing department by hiring Jamie Moyer as project and purchasing assistant.

Phillip Long, CEO of BIS Technology Group, stated, “It’s exciting to see how much this company has grown and continues to grow. We’re constantly making improvements for our clients including our newest development where we revamped the projects and purchasing department to streamline project workflow. This enhancement has allowed us to expand and hire Jamie Moyer for the much needed new position of project and purchasing assistant.”

Moyer has worked in the customer service industry for 16 years in various management positions.

“Jamie is the perfect fit for this new position because she has years of experience in the customer service industry,” said Long. “I know she’ll be an asset to the team.”
