Baptist Health Care Offers Free Mammograms

PENSACOLA, Fla. (November 22, 2016) – Baptist Health Care is currently offering free mammograms. Baptist Health Care Foundation’s Mammogram Fund helps provide mammograms to qualified women who are not financially able to get one on their own.

According to the National Cancer Institute, more than 240,000 new cases of breast cancer were projected to be diagnosed this year alone. While there is no cure for breast cancer, early detection enables early treatment and increases survival chances.

To learn if you qualify for this free screening, call 850.469.7500. Appointments are limited. Learn more about the importance of mammography and the services offered at Baptist Health Care by visiting eBaptistHealthCare.org.
