FOR IMMEDIATE RELEASE

Beck Partners Adds Two to Pensacola Team

PENSACOLA, FL (January 18, 2017) – Beck Partners welcomed two new members to its staff in January. Tim Danna, our newest Commercial Insurance Agent, and Christopher Cobb, our newest Commercial Real Estate Associate, join us from diverse and experienced backgrounds. The firm now has 30 team members stretching from Mobile to Tallahassee.

Tim joins Beck Partners from Turnkey Processing, where he most recently served as a Sr. Account Executive in a high-level sales environment providing financial, point of sale systems and payment processing solutions to business owners. Prior to Turnkey Processing, he was a Sr. Account Executive and member of the Fraud and Mitigation team of Thinking Capital based out of Montreal, Canada, where he worked with business owners and underwriters with financial transactions.

Tim started his sales career with Insight Enterprises as a Corporate IT Broker, providing large international corporations with IT solutions to help streamline their IT strategies. He won various sales contests and received recognition for his sales performance. Tim brings with him experience in many industries of business and corporate sales, business funding, fraud, mitigation and risk management, project management, system integrations and sales training.

Tim is a Certified Insurance Representative with a 2-20 License. He is a world traveler who loves experiencing new countries and cultures. Frequently involved with charity, Tim can be found giving back to the community while gaining a more profound knowledge of its members.

Christopher Cobb joined Beck Partners in 2017. Previously, he worked for PFL Brokerage as a Commodity Broker, where he brokered a wide variety of renewable fuel and petroleum products. Prior to PFL Brokerage, he worked as an Assistant Project

Manager with SL Green Realty where he helped coordinate construction for Class-A office space working with general contractors and tenants, compiled bid arrays, permit applications and tenant change orders. He also has experience as an Analyst with PBF Holding, where he handled logistics for petroleum products moved by barges and also managed a fleet for barges.

Christopher has a B.S. in Mathematics from the United States Naval Academy and MBA in Leadership and Management from Boston College. He is a running fanatic and college football/basketball enthusiast. He enjoys all the beaches of the Emerald Coast and hunting for shells.

[Beck Partners](#) is an innovative real estate and insurance services firm with offices in Pensacola and Tallahassee, Florida. The firm was founded in 2014 through a merger of Beck Property Company—a commercial real estate firm established by Gregg Beck in 1981—and McGraw Insurance, a proven veteran insurance producer led by Reid Rushing, with deep roots in the community and a family history of success in the insurance industry. Beck Partners' vision is to Connect and Protect, and their mission is to create innovative partnerships that bring awesome people together to forge successful futures.
