BECK PARTNERS SECURES NEW OFFICE IN TALLAHASSEE

Tallahassee, FL: Beck Partners, a full-service Commercial Real Estate and Insurance company, announced a new office in Tallahassee for their growing team.

“Expansion in Tallahassee has called for new faces and new spaces. The new location provides room for our growing team along the Gulf Coast. We see a need to escalate our efforts in equipping the team to achieve our client’s and company’s goals,” states Justin Beck, CEO of Beck Partners.

You will be able to find Beck Partners in Midtown Tallahassee at 930 Thomasville Road, Suite 106. With close proximity to downtown, they will be easy to find. The expansion to a bigger space was necessary to meet the growing demand of the area. This move will expedite the reach of their integrated business model throughout the Tallahassee area so clients can take advantage of their streamlined solutions.

Midtown is a prosperous neighborhood that attracts young professionals and families with local restaurants, live music, rich history, entertainment and community venues. The area thrives with fresh entrepreneurs and business owners that have brought new ideas and concept to this area rich in culture and history. With an upstart mentality, budding enthusiasts are found here to connect and enjoy the unique atmosphere. You will find newly re-invigorated historic buildings that have been brightened with new opportunities.

The area is completely fitting for Beck Partners’ fresh, entrepreneurial outlook that has attracted additional brokers and aspiring brokers from the local university, Florida State University. A positive [economic outlook for Tallahassee](#) and Florida as a whole is even more reason for a new location in the right neighborhood. For more information about the new location please contact Maggie Whittemore at 850.477.7044.
