Bodacious Family of Shops Announces New Additions
Griffith, McClure, Cantu and Doerr join the Bodacious Family of Shops.

PENSACOLA, Fla., - A Bodacious Family of Shops is pleased to announce the additions of President Jonathan Griffith, CFO Amber McClure, Manager Rose Cantu and Finance Manager Heather Doerr as the shops continue to grow in Downtown Pensacola.

“We are so excited to bring great experience in each area of the Bodacious Family of Shops,” said President Jonathan Griffith. “It’s great to bring great value to the Pensacola community and to see our family grow.”

Jonathan Griffith, President of the Pensacola Blue Wahoos, now serves as the President of Studer Entertainment and Retail. Promoted in late 2015, Griffith manages the day-to-day operations of the Bodacious Family of Shops. Active in the community, Griffith serves as the chairman of the Chain Reaction Board of Directors and serves on the Board of Directors for the YMCA of Northwest Florida. He also serves on the Pensacola Chamber Military Affairs Committee and is a member of the Rotary Club of Pensacola and Freemason of Pensacola Lodge #42.

Amber McClure now serves as the Chief Financial Officer for the Studer Entertainment and Retail including the Pensacola Blue Wahoos and The Bodacious Family of Shops. McClure is a Certified Public Accountant and a University of West Florida graduate. McClure serves as Treasurer and Chief Financial Officer for three not-for-profit entities: Studer Community Institute, The Beacon and Chain Reaction.

Rose Cantu joined the team in March as the Manager for The Bodacious Family of Shops. Born into a family of chefs, Chef Cantu grew up in Houston where several members of her immediate and extended family owned and currently operate their restaurants. Cantu's passion for customer service and hospitality led her to start a catering company, Catering by Rose, which initially catered to busy young professionals, and later included catering specialty foods for people with special dietary needs such as Diabetics, people diagnosed with cancer and vegetarians. While running her catering company, Cantu also managed Los Dos Amigos Restaurant for 10 years, which led to her transition into restaurant consulting and commercial kitchen design.

Heather Doerr joined the Bodacious Family of Shops in April as the Finance Manager after serving as trainee in the Accounting department with the Pensacola Blue Wahoos. Doerr graduated from the University of West Florida with her master's degree in Accounting and is currently in the process of obtaining her CPA license. With a background in Dance and Choreography, Doerr helps local groups choreograph routines for community events and socials and is also the founder of the Do-errs Club and a board member of the Gulf Breeze Sports Association.
