COVENANT CARE PROVIDES CAMP CONNECT FOR GRIEVING CHILDREN
Free Overnight Grief Camp for Children 6-15

PENSACOLA, FLORIDA, September 23, 2016 - Covenant Care is excited to announce its first overnight children's grief support camp, Camp Connect which will be held in November at Sacred Heart Health System's Miracle Camp in Pensacola, Florida.

Camp Connect is a unique camp for children ages 6-15 who have recently experienced the loss of a loved one or have a terminally ill loved one. Camp Connect uses therapeutic art activities, games and group discussions led by Covenant's trained staff to promote hope and healing.

Camp Connect allows children the opportunity to explore their emotions in a safe environment and gain strength from other children in similar situations. This year's camp will also include a caregiver component to equip parents and caregivers with education, tools and resources to best support their child.

Camp Connect is free of charge and open to any child ages 6-15 in need, thanks to the generosity of Covenant Care supporters. Space is limited and ***pre-registration is required***. The deadline to pre-register is October 21, 2016. To register please call 850-202-0343 or email campconnect@choosecovenant.org for an application and more information.

Children attending Camp Connect will stay in air-conditioned cabins and all meals and snacks are included.
