Pensacola, FL: Escambia County School District's Director of Transportation, Robert Doss has released an update on ECSD bus transportation for the area of the county closest to International Paper affective Friday morning, Feb. 3. "This morning, we're happy to announce that we will resume normal student transportation operations in the Woodbury subdivision tomorrow morning."

"We have been working closely with members of the Unified Command to create a way to safely restore normal school bus transportation service in the Woodbury subdivision as quickly as it is possible," Doss said.

Doss also explained that, "We will make a call this evening to advise parents of the update. We will make the temporary bus stop at the Winn Dixie Monday morning (2/6) and afternoon for those who don't receive our communication."

Clean-up and restoration work will continue.
