ECSD NEWS RELEASE
Feb. 16, 2017

REQUEST FOR ADVERTISING INFORMATION

Escambia County School District is entering Teacher Recruitment Season and our Human Resources Department would like some information about how to advertise through your organization!

I offered to reach out through our media distribution list to ask for your help. Please forward this email to your advertising department, so they can send us the information they would send a prospective advertising client.

We are interested in knowing more about your rates, what our advertising dollars will buy, your audience demographics, etc.

If I have included you, and you do not have an advertising counterpart - please disregard this email OR if you have worked with an advertiser you recommend I contact, please share that information! I do not usually have any connection to advertising dollars, so your help is greatly appreciated.

Thank you again for your help. I will be in touch with news about Teacher Recruitment plans very soon! Your help in covering our hiring needs and procedures has been valuable and I look forward to working with you on this again for 2017!
