ENSLEY GED CLASSES UP AND RUNNING!

Tuition waived for Ensley Participants!

Pensacola, FL: After a soft opening in late 2016, George Stone Technical Center (GSTC) is happy to announce that Adult Basic Education/GED classes are officially up and running at Ensley Elementary School. Classes will be taught by a certified instructor from the GSTC and will begin on Tuesday, Jan. 10.

They are especially pleased to announce that the class at this location will be FREE! There will be no tuition charge for new students enrolling in the GED class at the Ensley location. Students may enroll anytime as there is an open enrollment policy.

The ABE/GED classes are designed for anyone who needs help brushing up their reading and math skills in preparation for earning their GED/High School Diploma. Classes are actively taught by a certified teacher (rather than a computer based program) and personalized instruction is given based on each student's academic level.

Patricia Harrison, a counselor at George Stone Technical Center explains, "We have a proven prescription for success to pass the GED test! We use direct instruction, as well as materials that are aligned to the "actual" content of the GED test. When students are ready to take the test, they can feel confident and assured of a passing score."

Ensley Elementary School is located at 501 E. Johnson Ave., Pensacola, FL 32514 (East of Old Palafox). IF this is not in a convenient location, for a tuition fee of \$30 a semester, GSTC also offers GED classes at other locations:

- Their main campus at 2400 Longleaf Drive, Pensacola, 32526
- The Molino Community Center, at 6450 Highway 95A-N, Molino, FL 32577, every Monday and Thursday from 6:00 to 8:00 p.m.
- Pathways For Change, at 1211 W. Fairfield Dr, Pensacola, FL 32501, every Tuesday, Wednesday & Thursday from 9:30 am till 12:00. Free childcare is also offered at the Pathways For Change location.
