## **Sacred Heart Hosts Grand Opening of Monogram Maternity**

**PENSACOLA, Fla.** – Sacred Heart will celebrate the launch of its new Monogram Maternity program with a grand opening on Monday, Oct. 10 from 5 to 7 p.m. in the Medical Office Building, Suite 307 of the hospital's Pensacola campus, 5151 N. Ninth Ave.

Monogram Maternity is Sacred Heart's new, complimentary birth-design service to help moms-to-be customize their birth experiences at the Sacred Heart Maternity and Women's Center. Monogram Maternity begins during pregnancy, when women are invited to meet with Sacred Heart's new birth designer, who will assist them in building their birth preferences and choose from new amenities, including birthing balls, aromatherapy and celebratory meals. Sacred Heart's birth designer will help guide mothers through their pregnancy, register for childbirth classes, connect with lactation services if needed and provide education about what to expect in labor and delivery.

The grand opening of Monogram Maternity will include complimentary hors d'oeuvres and beverages. Community members are invited to meet Sacred Heart's new birth designer, learn about the Maternity and Women's Center's new amenities and tour the Monogram Maternity suite, which will be home to Sacred Heart's birth designer, board-certified lactation consultants, maternity gift shop and a staged labor-and-delivery room, available for tours and education.

As the most preferred childbirth facility in Escambia and Santa Rosa counties, Sacred Heart Hospital Pensacola serves as the regional center for high-risk pregnancy, the area's only OB Emergency Care Center, Northwest Florida's only Level III neonatal intensive care unit and the only local hospital with an onsite obstetrician 24/7. Sacred Heart is part of Ascension, the largest non-profit health system in the U.S. and the world's largest Catholic health system.

For information about Monogram Maternity or the grand opening, please call 850-416-6378 (NEST).
