Great Gulfcoast Arts Festival looking for Emerging Artists

PENSACOLA, FLA. – February 16, 2017 – Applications are open for the GGAF Emerging Artists program. This program, developed in partnership with Artel Gallery, gives new artists a chance to be a part of the Great Gulfcoast Arts Festival and offers them guidance in what is involved in being in an arts festival.

Applications are open to artists who have limited experience participating in arts festivals and are residents of Escambia or Santa Rosa Counties. Two artists will be chosen to participate in this year's festival. GGAF will waive fees for the two artists and will provide a booth and mentor to help guide them through the process.

For more information and an application, visit www.ggaf.org.

The GGAF is Nov. 3, 4 and 5, 2017 in Seville Square in Historic Downtown Pensacola.
