ITEN Wired tech summit comes to Pensacola Beach Oct. 12–14

(Pensacola, Fla.) Registration is now open for the 2016 ITEN Wired Summit, coming to the Hilton Pensacola Beach Gulf Front October 12–14.

ITEN Wired is the Gulf Coast's premier conference for executives, entrepreneurs, professionals, and educators working in technology. The event is hosted by **IT Gulf Coast** and **Florida West Economic Development Alliance**.

This year's topics include cybersecurity, tech makers, start-up tech, virtual environments, simulation, and robotics. Equal parts education and networking, ITEN Wired offers an excellent forum for professional development and an opportunity to exchange ideas and forge new collaborations around innovation, technology and entrepreneurship.

Registration is now open. The event includes:

- **Summit Speakers** – High-powered execs and entrepreneurs from the Gulf Coast and around the world will offer expert advice, business insights and inspiration. See the full list of speakers at itenwired.com/speakers/.
- **Job Fair** – The ITEN Wired tech job fair on Oct. 12 is free and open to the public.
- **SBDC Workshop for Entrepreneurs** – Florida SBDC will offer information on understanding your market and new opportunities, evaluating and implementing your business plan, creative capital for tech businesses and more.
- **Cyber Competition** – New this year is the [ITEN Wired Cyber Competition](#). The competition will consist of three concurrent tracks provided by our Cyber Range Sponsor, Metova CyberCENTS.
- **Capture the Flag** - The ITEN Wired Summit challenges attendees to play Capture the Flag for a chance to win great prizes.
- **Ignite ITEN** – Ignite® ITEN presenters will share their personal and professional passions, using 20 slides that auto-advance every 15 seconds for a total of just five minutes.
- **Exhibitors** – Meet and network with local tech companies and exhibitors from around the country.
