**West Florida Healthcare's Vice President of Cardiovascular Services
Named a Recipient of Local "Living the Dream" Award**

PENSACOLA, FL - **Kevin B. Mair**, MBA, FACHE, CMPE, Vice President of Cardiovascular Services at West Florida Healthcare, was named a recipient of the "Living the Dream" Award at an awards ceremony held January 15, 2017. The award celebrates the dream of Dr. Martin Luther King, Jr. and honors those Pensacola natives and residents who exemplify his legacy. Mair was selected because of his generous contributions to the community as a School Mentor for the Escambia County School District and his work with the Food Security and Access Workshop, a sub-committee of Partnership for a Healthy Community.

In his role at West Florida Healthcare, Mair is responsible for all functions of the hospital's full continuum of cardiovascular services. In addition, he is a key member of the hospital's leadership team and helps provide direction for patient satisfaction and quality initiatives.

Mair earned his undergraduate degree from Temple University in Philadelphia, Pennsylvania, and his Master's in Business Administration from George Washington University in Washington, D.C. A Fellow of the American College of Healthcare Executives, Mair is also a certified executive member of the Medical Group Management Association and American College of Medical Practice Executives.

Prior to joining West Florida Healthcare, Mair was employed at Cardiology Consultants in Pensacola where he served as the group's Executive Director since 2014. Prior to that, Mair worked for WellStar Health System in Georgia where he directed the operations of a variety of physician specialty practices.
