The new school year is underway, fall is here and we hope you are doing what we wanted to update you on a few developments with Achieve Escambia. Following the Achieve Escambia Community Summit in April, the Achieve Escambia Leadership Council was formed. The Leadership Council is comprised of cross-sector leaders who provide strategic guidance and governance. They have committed to:

- Align individual and collective action to shared goals and outcomes
- Promote effective data-driven decision making to improve outcomes and accelerate progress toward eliminating achievement disparities
- Provide leadership, advocacy, counsel and accountability to work teams and collective action networks

The Leadership Council meets on a monthly basis to facilitate the growth and progress of Achieve Escambia. ***Meet the Leadership Council*** (*denotes Executive Committee Member)
