Nemours Welcomes Vibhuti Agarwal to Hematology, Oncology Team
Continues to recruit top pediatric specialists to Pensacola

Pensacola, FL– Nemours Children’s Specialty Care, a nationally ranked pediatric specialty care practice, is proud to welcome Vibhuti Agarwal, MD, to the hematology and oncology department in Pensacola. Dr. Agarwal has been with Nemours since July 2014 when she joined the Nemours Center for Cancer and Blood Disorders in Jacksonville.

“At Nemours, we are committed to providing specialty care to the children and families of Northwest Florida,” said Dr. Mary B. Mehta, Chief Medical Officer of Nemours Children’s Specialty Care, Pensacola. “We are honored to have Dr. Agarwal’s exceptional expertise as we continue to meet the community’s needs.”

Dr. Agarwal earned her medical degree at Ross University School of Medicine in Portsmouth, Dominica, then completed a residency in pediatrics, including a year as chief resident, at the University of Florida College of Medicine – Jacksonville where she was awarded the Apple Award for student teaching.

She continued her training with a fellowship in pediatric hematology/oncology through a combined program at Nemours Children’s Specialty Care, Jacksonville and University of Florida College of Medicine - Jacksonville. Dr. Agarwal is fluent in English, Hindi and Punjabi. She is certified by the American Board of Pediatrics.
