

New Pensacola Location for Adult Education Classes Announced *GSTC ABE/GED at Ensley Elementary*

Pensacola, FL: Planning to take the GED Test and looking for a class to help you prepare for it? George Stone Technical Center has announced a new partnership with Ensley Elementary School to offer GED test prep classes on their campus.

Adult Basic Education/Adult General Education (ABE/GED) classes will begin soon at Ensley Elementary School located at 501 E. Johnson Ave. Pensacola, 32514.

"We will start by offering the classes on Tuesdays and Thursdays from 4:00 – 6:00 p.m. or from 5:00 – 7:00 p.m.," said Patricia Harrison, an Adult Education Counselor at GSTC. "As we find out more about the needs of the students interested in attending on the Ensley campus, we will finalize the times. So, if you are seriously looking for a site and Ensley would be your choice for a location, contact us."

GSTC's GED classes are actively taught by a certified teacher and not a computerized self-paced program, Harrison added. Those interested should contact Harrison by calling 850-941-6200, ext. 2361.

ABE/GED classes cover material that is relevant to actually taking the GED Test, and are often an attractive option for people with busy schedules and who may already be working.

Adding Ensley Elementary School as a class location takes GSTC up to 3 locations that host ABE/GED classes. Other locations include their primary campus on Longleaf Drive, a site at Molino Community Center, as well as a site at Pathways For Change, near Baptist Hospital.

"All of our outlying sites have great pass rates for students taking the GED test," added Harrison.

To find out more about programs offered by the George Stone Technical Center visit their page at, <http://gstc-ecsd-fl.schoolloop.com/>, stop by their primary location at 2400 Longleaf Drive, Pensacola, FL, 32526. Or you call 850-941-6200 with your questions. They also have a Facebook page, search for George Stone Technical Center.
