(Pensacola, FL) January 16, 2017 – Grammy®-Nominated and Platinum-Selling Band **Newsboys** announces the 2017 extension of the **Love Riot Tour**, which sees them perform their hit songs live in more than 50 additional cities nationwide. The Love Riot Tour begins in Milwaukee, Wis. on February 2 and runs through early May. The tour will also feature a never-seen-before, all-new theatrical experience, *God's Not Dead LIVE! Rivals*. Written and produced by John and Sarah Bolin (The Thorn) and featuring original songs from Juan Otero (Born Again, Kings & Queens), *Rivals* brings an ensemble cast of singers, actors and dancers together to answer the question “Can God really make a difference?” and take the audience on a journey to an infamous music venue where stars are born, rivals are met and

no one leaves the way they came in.

"With this tour, we wanted to try something brand new, something different," said Michael Tait, lead singer Newsboys. "There's something about drama, seeing scenes acted out, lived out, right in front of you, that has a different effect. We are very excited about sharing this new theatrical experience with our fans."

Tickets for the February and March dates are on sale now. Pre-sale tickets for the April and soon-to-be announced May 2017 dates go on sale January 19, 2017 with tickets on-sale to the general public on January 20, 2017.
