OB/GYN Joins Sacred Heart Women's Care Center

PENSACOLA, Fla. – Obstetrician-gynecologist Lakeema Bruce, MD has joined the medical staff of the Sacred Heart Women's Care Center and will serve as an assistant professor with the University of Florida OB/GYN Residency Program at Sacred Heart.

Dr. Bruce graduated with her bachelor's and medical degrees from Florida State University, and she completed her residency training through the University of Florida OB/GYN Residency Program at Sacred Heart. She is a member of the American Congress of Obstetricians and Gynecologists.

The Sacred Heart Women's Care Center provides obstetrical and gynecological care, including prenatal and postpartum care, high-risk pregnancy management, obstetrical ultrasound, minimally invasive surgery, complex pelvic reconstruction screenings for gynecologic cancers and the treatment of women's health problems including prolapse, incontinence, menopause symptoms, osteoporosis, endometriosis, polycystic ovarian syndrome, abnormal bleeding and menstrual disorders.

As the most preferred childbirth facility in Escambia and Santa Rosa counties, Sacred Heart Hospital Pensacola serves as the regional center for high-risk pregnancy, the area's only OB Emergency Care Center, Northwest Florida's only Level III neonatal intensive care unit and the only local hospital with an onsite obstetrician 24/7. Sacred Heart is part of Ascension, the largest non-profit health system in the U.S. and the world's largest Catholic health system.

The Sacred Heart Women's Care Center is located at 5045 Carpenter Creek Dr. in Pensacola. For information or to schedule an appointment, please call 850-416-2400.

About Sacred Heart Health System

Sacred Heart Health System is Northwest Florida's leading provider of high-quality health care to children and adults. The hub of Sacred Heart Health System is its 566-bed Sacred Heart Hospital in Pensacola that includes the region's only Children's Hospital, a Level II Trauma Center, a Cancer Center affiliated with MD Anderson Cancer Network and a Heart & Vascular Institute. The Health System also includes Sacred Heart Hospital on the Emerald Coast (a 58-bed community hospital near Destin), Sacred Heart Hospital on the Gulf (a 19-bed hospital in Port St. Joe) and Sacred Heart Medical Group, a large regional network of primary care and specialty physicians with offices across seven coastal counties between Gulf Shores, Ala. and Apalachicola, Fla.
