**Feature Artists: Ginger Osborne

Irmí Presutto**

Show Exhibits: February 15 - March 27 2017

Reception: Friday, February 17, 2017 5 PM - 9PM

Ginger Osborne's watercolors emphasize her attention to detail and color balance. She was an art major in college and now that she is retired, is using her talent to aid her granddaughter who has cystic fibrosis. All profit from the sale of her paintings go to the cystic fibrosis foundation.

Karin Gudmundson, always working in various forms of art, has found her love in photography and painting. Her paintings are large and tend to have a distinctive flow that spread color and texture across the canvas.

Irmí Presutto discovered art at a very young age. She paints with bright and enchanting colors. Her still life, landscapes, and seascapes all provide a joyful experience.
