FOR GENERAL RELEASE OCTOBER 1, 2016

REDWIRE, LLC ANNOUNCES NEW LEADERSHIP CHANGES

Redwire announces the appointment of Ted Frazee as President and Sean Githens as Vice President, Chief Operating Officer.

Frazee has been with Redwire and its sister company Sonitrol of Tallahassee (with franchise branches in Pensacola, Panama City, Sarasota, and East Coast Florida) since 2003. He has served as Account Executive, Sales Trainer, Regional Manager, Vice President of Sales, and most recently Executive Vice President. Frazee is a graduate of the University of Florida and the Harvard Business School Executive Education Leadership Program. He is a graduate of Leadership Tallahassee and is active in certain community causes.

Githens is a two-time National Achievement recipient with 15 years of industry experience. Since his start with the company in 2001, he has served in numerous operational roles and most recently as Vice Present, Customer Services since 2015 following his return to the Redwire team after a 3 year term as the Director of Client Services in California where he managed multiple central stations. Githens is a graduate of Florida State University and earned an MBA from Phoenix University.

Redwire and Sonitrol owner Doug Smith comments, *“Ted and Sean have demonstrated that they have what it takes to lead our company going forward. They are driven yet humble, results oriented, and have earned the respect of the team. They are excellent stewards of our company and our customer base.”*

Redwire and Sonitrol specialize in verified security, access control, video and fire alarm services and systems in Florida, South Georgia, and South Alabama.
