We want to give singles the chance to mingle with one another while avoiding wasting their time by talking to someone who is already taken. The Traffic Signal Party is a unique party where guests wear the colors of the traffic signal to indicate their relationship status: GREEN means they're single & ready to party, willing and able to get down. These people are okay to approach since they are unattached and are open to dating and a relationship. YELLOW means their relationship status is "complicated", you should proceed with caution since "it's complicated" can mean any number of things. You don't know if the person is single, but not ready for a relationship or if they're still in one. RED means they're taken; these people are already taken and should not be flirted with unless you want a whole mess of drama to follow. Get it? Green means go, yellow means slow, and red is stop. Just like a traffic light! Whether you're taken, single, or just want to have a good time - come out for a night of fun at Seville Quarter's Valentine's BINGO, Monday, February 13th. Saturday Night \$5 Jameson Irish Whiskey Special

Seville Quarter in conjunction with Jameson Irish Whiskey invite you to go Green in Downtown Pensacola!! Two heads are said to be better than one, and this whiskey adds serious weight to that argument. Emerging from a conversation between our head distiller and the head brewer of Cork's Franciscan Well Brewery, Jameson Caskmates has been finished in stout-seasoned whiskey casks. While our triple-distilled smoothness is very much intact, notes of cocoa, coffee and butterscotch confirm the stout influence. Caskmates is a head-turning, modern Irish whiskey.
