#### **ABOUT THE MOONSHINE BANDITS:**

The Moonshine Bandits are signed to BackRoad Records, a division of Average Joes Entertainment. Since the release of their genre-blending album, "Whiskey & Women," the California-based band have taken the world of outlaw music by storm. The group's blue-collar work ethic and unwavering persistence has led to over 10 million views on the ShinerTV YouTube channel – collectively over 15 million views on YouTube - while their video for "My Kind of Country" peaked at #1 on CMT Pure. Connecting with fans on all levels, Moonshine Bandits have built a solid "Shiner Nation" of loyal fans, developed their own brand of Shiner Barbeque Seasoning, Beef Jerky and legal Moonshine (sold up and down the west coast). They also host "Shinerfest" an annual outdoor festival in Central California.
