UNIVERSITY OF WEST FLORIDA CAREER SERVICES TO HOST REVERSE CAREER FAIR

PENSACOLA, FLA.–January 3, 2017– The University of West Florida Career Services department is hosting its Reverse Career Fair on Wednesday, February 8, 2017 from 5-6:30p.m. in the Commons Conference Center. A Reverse Career Fair "flips" a traditional Career Fair. Instead of an employer hosting the table, members of registered student organizations are the hosts and employers visit the tables to learn more about them and their organization. This is a great opportunity to market your company for future partnerships with these student organizations. Interested employers can register for the event by creating a JasonQuest account at uwf.edu/career. The employer registration cost for the event is \$10 (+ tax). Join us for this great opportunity to connect with UWF students and make lasting networking connections.

For more information about the Reverse Career Fair or to register, contact Lindsey Walk at lwalk@uwf.edu, or visit uwf.edu/career.
