### **University of West Florida Haas Center column by Dr. Aig Unuigbe**

*Targeted programs needed to prevent infant deaths in  
Escambia County*

**Pensacola, Fla. – Sept. 21, 2016** – In a new column, University of West Florida Haas Center economist Aig Unuigbe discusses infant mortality data from the local, state and national levels and explores what can be done to lower the number of deaths in Escambia County. His article can be accessed through the [UWF Center for Research and Economic Opportunity website](#).
