**West Florida Healthcare to Offer Free Seminar about  
Decreasing the Risk of Heart Attack**

PENSACOLA, FL – In recognition of “American Heart Month,” West Florida Healthcare will offer a free community seminar on **Wednesday, February 8, 2017** entitled “*Lifestyle Changes to Decrease Heart Attack Risk.*” The seminar will be held from 5:00 – 6:00 p.m. in the 7<sup>th</sup> Floor Auditorium of West Florida Hospital, 8383 N. Davis Highway, Pensacola.

The featured speaker will be **Tony Lee, M.D., F.A.C.C.**, invasive cardiologist with Northwest Florida Heart Group. At this informative session, Dr. Lee will discuss the risk factors associated with heart attack as well as how those risks can be decreased with simple lifestyle changes.

To register for this free seminar, call **(850) 494-3212**. Refreshments will be provided.
