BIS HIRES IT SERVICES MANAGER TO STREAMLINE SERVICE DELIVERY DEPARTMENT

Robertsdale, AL (March 10, 2016) – Business Information Solutions (BIS), an experienced IT security company on the Gulf Coast, welcomes new IT Services Manager, Maria Porras, with 19 years of experience. Porras will work directly with the Service Delivery department to implement technical training, develop and improve processes, create strong relationships with vendors, and ultimately, streamline operations for a better customer experience.

Phillip Long, CEO of BIS Technology Group, stated, “Maria has excellent communication and leadership skills as well as a deep understanding of technology.”

Prior to working at BIS, Porras held roles in systems administration and IT management. She is a strategic thinker, solid project manager, caring coach and an implementer. With those qualities, she has the ability to conceptualize problems and lead her team to find solutions.

“With her years of experience in running large IT service delivery departments, she’ll enhance our clients’ experience while helping to build our team,” said Long.
