Nemours Promotes Dr. Mary B. Mehta to Florida Network CMO

In Addition to Responsibilities as Pensacola CMO

PENSACOLA, Fla. — Nemours Children's Health System has promoted Dr. Mary Mehta to the position of Chief Medical Officer (CMO) for Florida Network Operation, in addition to her leadership responsibilities as CMO for Nemours Children's Clinic Pensacola (NCCP). Dr. Mehta will remain based in Pensacola, and in her role as Florida Network CMO, will oversee the strategic and operational leadership of Nemours Florida network of primary and urgent care offices. She will also have statewide responsibility for business development including promotion of Nemours specialties with new and existing hospital partners.

A pediatric cardiologist for more than 20 years, Dr. Mehta has served the children and families of Nemours for more than 12 years, most recently as the CMO of Nemours Children's Clinic Pensacola. In addition to her leadership role in Pensacola, we are grateful to her for serving in the dual role as Cardiology Department Chair for Nemours in Florida as part of the Nemours-wide integrated N/AIDHC Cardiac Center expansion set to open at Nemours Children's Hospital in Orlando in summer 2016.

Active in the community and building relationships for Nemours, Dr. Mehta is a member of the Pensacola Chamber of Commerce Healthcare Committee, Impact 100 Northwest Florida, the Escambia County Medical Society, the American College of Cardiology and a board member of the Ronald McDonald House of Northwest Florida.
