About the USO

The USO strengthens America's military service members by keeping them connected to family, home and country throughout their service to the nation. At hundreds of locations worldwide, we are united in our commitment to connect our service members and their families through countless acts of caring, comfort and support. The USO is a private, non-profit organization, not a government agency. Our programs, services and entertainment tours are made possible by the American people, support of our corporate partners and the dedication of our volunteers and staff.

In addition to individual donors and corporate sponsors, the USO is supported by President's Circle Partners: AT & T, the BNSF Railway Foundation, Clark Construction Group, LLC, The Coca-Cola Company, Johnson & Johnson, Kroger, NFL and Four-Star Partners: BIC, ConAgra Foods, FedEx, GEICO, JCPenney, Lockheed Martin, Microsoft, Procter & Gamble, Starbucks, TKS and the Wawa Foundation. We are also supported through the United Way and Combined Federal Campaign (CFC-11381). To join us in this important mission, and to learn more about the USO, please visit uso.org.
