Date changes for ABC Soccer Program and Summer Session Added

The ABC Soccer Program is a new soccer instruction program designed to aid player development in the areas of Agility, Balance, and Coordination through proper running technique as well as basic soccer skills like dribbling, passing, shooting and teamwork.

The City of Pensacola Parks and Recreation Department is introducing the ABC Soccer Program to kids ages 4-12 this spring at Legion Field. To get kids and families excited about signing up for the first session, a Free Clinic Day is scheduled at Legion Field. **The date has been moved from Saturday, April 9th to Friday, April 15th from 3 p.m. to 5 p.m.**

The first session of the program is a six-week Spring course which begins April 20 (originally scheduled to begin April 13th). Classes will be held each Wednesday from 3 pm to 5 pm through May 25. The Summer session will last nine weeks beginning June 1-July 27.

The cost per child is \$60 for the Spring course and \$90 for the Summer course. Registration can be completed in person at Fricker, Cobb and Woodland Heights Resource Centers.
