

## **BARRONS PROPERTY MANAGERS PRESS RELEASE**

Barrons Property Managers is an all-inclusive Property Management Company that specializes in long term leasing and management of single family homes.

Our model is of full time commitment to management, “not to list or sell homes”. This model allows us to partner with the powerful network of realtors which results in quickly finding you the most qualified tenants.

Our company has full time licensed agents, maintenance coordinator, and site inspectors helping your investment reach the height of physical and fiscal performance.

We have been in business for over 10 years and would like to expand into the Pensacola market.
