**"Celebrate Cinco de Mayo"**  
**A spirit and food event featuring tequila**  
**Jackson's Steakhouse**

Jackson's Steakhouse is proud to partner with Breakthru Beverage Company to present a handcrafted tequila and food event at Jackson's Steakhouse on Thursday, May 5, 5:30 p.m. in honor of Cinco de Mayo. The date is observed to commemorate the Mexican army's unlikely victory over French forces at the Battle of Puebla on May 5, 1862.

The dinner will highlight a number of quality tequilas; Blue Agave, Agave and Añejo. Few beverages hold as much mystique as tequila. The beloved Mexican pick-me-up is surrounded by years of myths and legends.

Justin Williams and Billy Dunn of Breakthru Beverage will be in attendance to shed more light on the featured tequilas as well as the craft of distillation. Chef Irv Miller has created a delicious menu that underlines the flavors from the tequilas. The full menu is as follows:
