## WALTER STRONY TO DEMONSTRATE THE CAPABILITIES OF CHURCH'S ALLEN ORGAN

PENSACOLA, APRIL 24, 2016 - Blues Angel Music, Allen Organs, and McIlwain Presbyterian Church announce an Allen organ concert with Walter Strony. The concert takes place on Sunday, April 24, 2016 at 4:00 pm at the McIlwain Presbyterian Church at 1220 East Blount Street in Pensacola with a reception to follow.

Walter is one of America's premier concert organists. He has established himself as both a theatre and classical organist. Strony has been voted Organist of the Year twice by the American Theatre Organ Society. He is the only living theatre organist to have received the honor.

Strony will be playing the church's Allen Quantum Q-345 organ. It has 58 stops and 3 manuals. This organ has a wide variety of voices that will be incorporated into the performance. The organ has 4 distinct specifications: Classic Allen, English Cathedral, Cavaille-Coll, and Schlicker. As part of the performance, Walter will be providing organ music to accompany a silent movie.

Of note: Many of the sounds of the Schlicker suite were sampled from the Schlicker pipe organ at the chapel on board NAS Pensacola.
