CLA Students Succeed in National Spanish Exam

Congratulations to several world language students from Creative Learning Academy who attained national recognition for excellent performance on the 2016 National Spanish Examinations. Students from Creative Learning Academy earned a total of 19 gold, 10 silver, and 4 bronze medals along with two honorable mentions.

“Attaining a medal or honorable mention for any student on the National Spanish Examinations is very prestigious,” said Kevin Cessna-Buscemi, National Director of the Exams, “because the exams are the largest of their kind in the United States with over 160,000 students participating in 2016.”

Students from Creative Learning Academy have a long history of high achievement on these exams and were taught by Spanish teacher, Profe Maureen Leccese. The National Spanish Examinations are administered each year in 6th through 12th grades and are sponsored by the American Association of Teachers of Spanish and Portuguese.

Individual student awards for the National Spanish exam will be announced May 24th during the awards ceremony at Creative Learning Academy.
