"These young men are quite talented. They have the knowledge and confidence that will help them to succeed for many years to come! Our CLA school community is extremely proud of them."

Sponsored by the [Museum of Florida History](#), the Florida History Fair (FHF) is an annual, statewide activity that enhances the teaching and learning of history at elementary and secondary levels. The fair promotes history in the classroom by offering students the resources and support to do original research about people, ideas, and events of the past.
