**General Surgeon to Discuss Diagnosis and  
Treatment of Acid Reflux Disease**

May 4, 2016 (Pensacola, FL) – On **Thursday, May 19**, West Florida Healthcare will offer a free seminar entitled “*Dealing with Gastric Reflux.*” The seminar will be held from 5:30 – 6:30 p.m. at the West Florida Medical Group office at 4244 Avalon Boulevard in Milton. The featured speaker will be **Jon Moore, M.D.**, General Surgeon with West Florida Medical Group.

Millions of Americans suffer every day from gastroesophageal reflux disease (GERD). GERD can occur when a muscle at the end of the esophagus does not close properly, allowing stomach acid to leak back, or reflux, into the esophagus and irritate it. Attend this informative session and learn how GERD is diagnosed and the treatment options that are available.

The seminar is free and open to the public. To register, call **(850) 494-3212**.
