

~~~~~SUMMER 2016 ~~~~~

Dear Parents,

This summer we **will not** be running an Elementary Summer program from 7am-5:30pm as we have in the past. Instead, we will have themed weeks of camps on the Montessori Drive campus run similarly to our afterschool class program.

- These camps are open to students currently in 1<sup>st</sup> through 6<sup>th</sup> grades.
- Costs vary based on camp times and supplies. Payment is submitted to the instructor as listed below. (Online registration available soon).
- **Save \$25 by registering by April 8<sup>th</sup>.**

| DATE & TIME                                                                                                                                                                                                                | CAMP THEME, INSTRUCTOR, COST                                                                                                                                                  | DESCRIPTION                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                   |
|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <p><b>June 13<sup>th</sup>-17<sup>th</sup></b><br/><br/>9:00 am – 3:30 pm<br/><br/>***Each camper needs to bring an old t-shirt.<br/><br/>Pack your child's own lunch &amp; generous healthy snacks every day, please!</p> | <p><b><i>(K)nitty Gritty</i></b><br/>Amy Fitzgerald<br/><br/>\$275 (includes materials, minimum enrollment: 10 campers)<br/><br/>Contact: text Amy at 828-551-3612</p>        | <p>This week will include LOTS of different tactile fibers and will explore fiber art skills of weaving, hand sewing, embroidery, appliqué, machine sewing, &amp; knitting. ALL SKILL LEVELS ARE WELCOME: beginner, intermediate, and advanced! Every project can be customized according to skill level, interest, &amp; individualized creative expression. Both girls and boys REALLY LOVE using the sewing machines in particular!<br/><br/>As an effort to encourage being "green", we will reuse and repurpose items. If you have any extra fabric, yarn, poly fil stuffing, or thread, we will happily make use of those items, too!</p>                               |
| <p><b>June 20<sup>th</sup> -24<sup>th</sup></b><br/><br/>8:30 am – 12 pm</p>                                                                                                                                               | <p><b><i>Drama</i></b><br/>Lauren Southern-Godwin<br/><br/>\$175<br/>Contact: LSOUTH@aol.com</p>                                                                              | <p>Campers are in the spotlight this week as they learn all about putting on a play. There will be exciting drama games that help build confidence, including pantomime and improvisation exercises. The young actors will create costumes and sets and put on a play at the end of the week.</p>                                                                                                                                                                                                                                                                                                                                                                             |
| <p><b>June 27<sup>th</sup> -July 1<sup>st</sup></b><br/><br/>8:30am -3:30pm<br/>Includes a 1 hour break for lunch and outdoor time, afternoon snack provided</p>                                                           | <p><b><i>Pokémon make and play</i></b><br/>Caitlin Vogel<br/><br/>\$310 (includes all materials, maximum enrollment: 18 campers)<br/><br/>Contact: caitlinvogel@gmail.com</p> | <p>In this fun filled week campers will immerse themselves in Pokémon! Campers will bring their love of Pokémon to whole new level in this exciting camp. Not only will campers have time each day to play the card game of Pokémon (campers must bring their own decks), but they will also create their own Pokémon inspired art. Activities will include imagining their own Pokémon and creating a card for it in their deck, Pokémon drawing, Pokémon puppets, Pokémon shirts, Pokémon posters and more! If your child loves Pokémon this is the camp for them! The week will culminate in an art show Friday from 3:30-4 where campers will display their creations</p> |
| <p><b>July 5<sup>th</sup>-8<sup>th</sup>:</b></p>                                                                                                                                                                          | <p><b><i>Stuffed Animal Vet Clinic</i></b><br/>Amy Fitzgerald</p>                                                                                                             | <p>This week, bring all your stuffed animals that need immediate veterinary attention &amp; some TLC! Has Spot lost an eye? Does Fluffy need Leg Reattachment Surgery? Perhaps Leo Lion has a wound that needs to be stitched up STAT!!!</p>                                                                                                                                                                                                                                                                                                                                                                                                                                  |

|                                                                                                                                                           |                                                                                                                                                                             |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                               |

| <p>9:00 am – 3:30 pm<br/>*NO CAMP on Monday, July 4<sup>th</sup></p> <p>Pack your child's own lunch &amp; generous healthy snacks every day, please!</p>  | <p>\$225 (includes materials, minimum enrollment: 10 campers)</p> <p>Contact: text Amy at 828-551-3612</p>                                                                  | <p>For this 4-day camp, we will train young veterinarians in the fiber art skills necessary to treat beloved animals of the soft kind with care and compassion! Each camper will create a Vet Bag with all sorts of supplies to fix just such stuffed pet emergencies! We will sew casts for setting broken bones, band aids for minor scrapes, and of course pet collars to keep those sweet animals from licking their stitches!</p>                                                                                                                                                                                                                                                                                                                                                                                                                        |
| <p><b>July 11-15<sup>th</sup></b></p> <p>8:30am -3:30pm<br/>Includes a 1 hour break for lunch and outdoor time, afternoon snack provided</p>              | <p><b><i>The world of Harry Potter</i></b><br/>Caitlin Vogel</p> <p>\$310 includes all materials, maximum enrollment: 18 campers</p> <p>Contact: caitlinvogel@gmail.com</p> | <p>In this exciting camp children will bring the world of Harry Potter to a whole new level! Campers will transform themselves into a Wizard, making wands, capes, and other wizardly props. Campers will learn, play, and make toys for several Harry Potter themed games (think quidditch). Next it's off to choose a house and make shirts, banners and more to show their support. Campers can look forward to a "visit" to Hogsmede and sampling some magical concoctions, and many other unmentionable magical happenings and activities. Through out the week young wizards will enjoy listening to the iconic tales on tape, and even watching one or two of the movies during lunch breaks. The week will culminate in an "open house" Friday from 3:30-4 where campers will invite friends and family into the magical world they have created.</p> |
| <p><b>July 18<sup>th</sup>-22<sup>nd</sup></b></p> <p>8:30am -3:30pm<br/>Includes a 1 hour break for lunch and outdoor time, afternoon snack provided</p> | <p><b><i>Playing with Puppets</i></b><br/>Caitlin Vogel</p> <p>\$310 includes all materials, maximum enrollment: 18 campers</p> <p>Contact: caitlinvogel@gmail.com</p>      | <p>In this playful week campers will create a variety of puppets from moveable Marionettes, to hand and finger puppets. At the end of the week after working in teams to write and create props for, campers will perform a puppet show for parents and friends in a camper-made puppet theater! Puppet show will be held on Friday from 3:30-4ish *puppet activities will vary from last year*</p>                                                                                                                                                                                                                                                                                                                                                                                                                                                           |
| <p><b>July 25<sup>th</sup>-29<sup>th</sup></b></p> <p>8:30 am – 12 pm</p>                                                                                 | <p><b><i>Musical Theater</i></b><br/>Sarah Skipper</p> <p>\$175<br/>Contact: smskipper12@gmail.com</p>                                                                      | <p>It's a hard knock life! Sign your child up to sing and dance a one-act version of beloved classic, <i>Annie</i>.</p>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                       |
| <p><b>August 1<sup>st</sup>- 5<sup>th</sup></b></p> <p>8:30am -3:30pm<br/>Includes a 1 hour break for lunch and outdoor time</p>                          | <p><b><i>Woodworking</i></b><br/>Emily Chamblin &amp; Dawn Coleman</p> <p>\$295 includes all materials</p> <p>Contact: olivedo@gmail.com<br/>eechamblin@gmail.com</p>       | <p>This camp is for the beginner, intermediate and advanced woodworker. Beginners will learn the basics of woodworking – tools, design materials, safety – combined with fun, practical applications of geometry and math! The intermediate and advanced student will hone skills in design, material, measurement, and joinery. We will work with large and small scale design, build tables, benches, garden beds, and planters. Students will come away with several unique creations including those of their own design!</p>                                                                                                                                                                                                                                                                                                                             |
