Two Ways to Join Us!

1. Thursday, June 9, from 1 to 4 p.m.

On Thursday, June 9 **Pensacola Habitat** and **NeighborWorks America** will present day one of the Pensacola Habitat Community Summit in partnership with Gulf Power Company.

This year's Summit is designed to encourage thoughtful discussion and to then spur meaningful action for a more sustainable community.

The program for the day will include keynote speaker **Tom Chobolla**, Senior Vice President of Field Operations for **NeighborWorks America**.

Mr. Chobolla will reflect on his experiences working to transform communities.

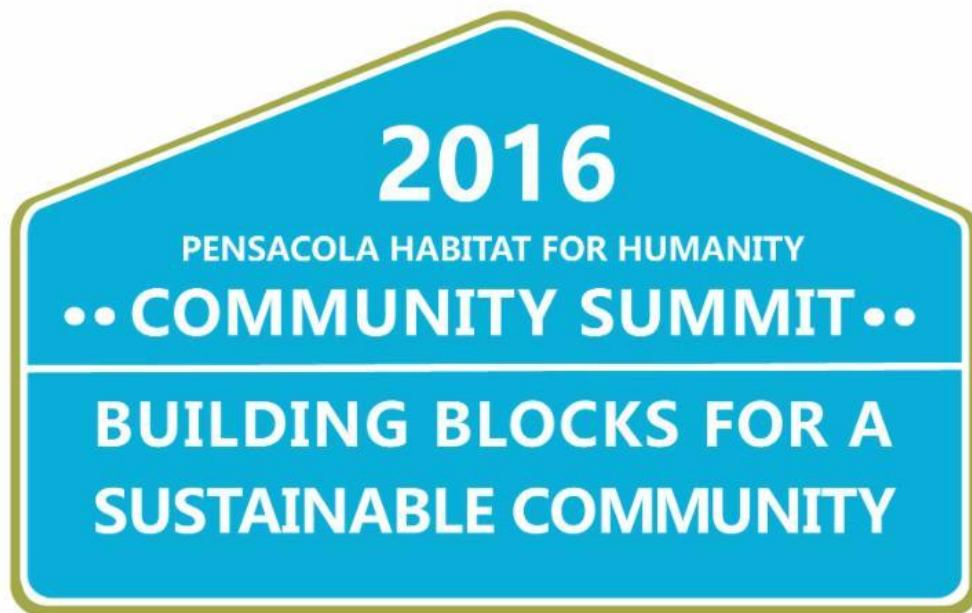

The panel immediately following the keynote will feature local environmental advocate **Christian Wagley**, **Al Coby** from the City of Pensacola, **Jill Thomas** from the Bee Hive reflecting on responsible corporate citizenship, and **Robin Reshard**, who will bring a diversity perspective from the Belmont-DeVilliers community.
