A FIGHTING CHANCE FOR EVERY BABY™

Serving Those Who Serve

March of Dimes is committed to giving every baby a fighting chance. Mission: Healthy Baby is a special community program in partnership with Philips that benefits military families. Thanks to your support of this program, we are able to:

- Provide maternal and child health education and resources
- Foster a network of support for families
- Give a shower for moms-to-be who otherwise wouldn't have had one due to distance away from relatives
- Opportunity to defray cost for new families
- Show appreciation for their sacrifice and service
- Support 200 families in 2015

Notes of Thanks

Thank you All for the AMAZING surprises. I am truly over-joyed with everything, so thankful, and absolutely amazed at the wonderful, wonderful things we have all received. Truly a stress reliever emotionally and especially financially. Cannot thank you (All of you) enough.

-Mayra Colon Santiago (NJ)

This shower exceeded every expectation! From the beginning w/ my host Bethany. She was beyond friendly & helpful. Everyone was so great! The gifts, oh my goodness the gifts! These will be so helpful! My sister said its just perfect, "Its just like the Ellen Show!" I was so surprised! The information provided was also great! I couldn't have asked for a better day! Thank you!

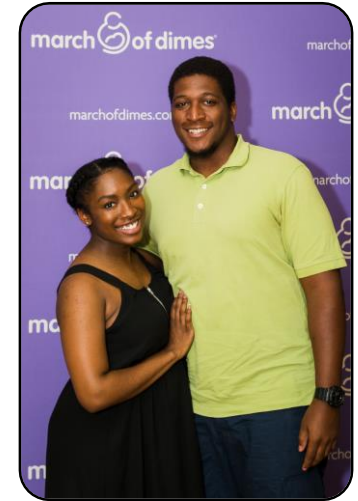

-Nicole Hilstosky (PA)

My name is Aileen Colon and I had never heard about a Military Baby Shower before. The experience was more than amazing, this is my first pregnancy and the classes were very informative. As far as the gifts, words cannot express how grateful I am for them. This takes a huge burden off my shoulders. Thank you so much for all you've done.

- Aileen Colon (NJ)

The Experience

- Gift boxes filled with essentials
- Base leaders
- Community resources
- Guest Speakers
