### AIR CARE WIZARD WINS ETHICS AWARD

The Better Business Bureau of Northwest Florida has awarded the 2016 Torch Award for Marketplace Ethics to Air Care Wizard. Pensacola's premier Indoor Air Quality company won this coveted award for District I, 1-10 employees. The Torch Award for Marketplace Ethics program was created to publicly recognize businesses that insist on exceptionally high standards of behavior.

Air Care Wizard's owners, Bob and Kathy Hubbard, have 12 spent years building a company based on a culture of excellence among its employees. "We believe that hiring the right people that fit into our culture allows us to provide the level of service our customers deserve," says Bob Hubbard.

Air Care Wizard is in the business of providing the Pensacola community with safe indoor air quality through their Air Conditioning, Mold Testing and Mold Removal services.
