BIS HIRES CLIENT VIRTUAL CHIEF INFORMATION OFFICER (VCIO)

Robertsdale, AL (June 27, 2016) – Business Information Solutions (BIS), experienced IT security company on the Gulf Coast, welcomes Josh Mildren on board to fill the newly created position of Client Virtual Chief Information Officer (vCIO). Mildren will manage the client’s technology while providing recommendations and quarterly technical reviews of their network.

Phillip Long, CEO of BIS Technology Group, stated, “This position represents a milestone for our company and the new level of support we can now provide to our Sentinel clients. Josh’s experience coupled with the IT tools we have brings a whole new level of security, support and management to our clients”

Mildren has over twelve years of experience in the information technology industry.

“Josh has an extensive background in IT and customer service that will allow him to succeed in helping our clients get the most of their IT spend,” said Long.
