CLA Students Shine During Memorial Day Tribute

PENSACOLA, FL- “Military veterans die for our country, so they should be honored.” Those are the words from Creative Learning Academy kindergartner, Bella Rhodes. To honor the men and women who gave the ultimate sacrifice for our freedom, students from Creative Learning Academy recently paid tribute through essays shared at a Memorial Day ceremony hosted by the Veterans Memorial Park Board.

Max Bear, kindergartner and a first place winner in the Memorial Day essay contest said, “Military veterans sacrifice themselves for others, so they should be honored.” CLA Kindergartner, Carson Cox paid tribute to veterans by saying, ” Military veterans keep us safe.”

“The creativity of the children at Creative Learning was inspirational and shows the patriotism and brilliance of Pensacola’s youth.” Lisa Rawson CDR USN (Retired) Education and Community Outreach for the Veterans Memorial Park Board says she welcomes local children and their families to be a part of all the Park does to honor veterans. “We want to showcase the work and creativity of our children and invite their families to join in.”

Several CLA students received first place and honorable mention for essays they submitted as part of the Veterans Memorial Park Memorial Day 2016 ceremony. Creative Learning Academy thanks the Veterans Memorial Park Board for inviting the students to participate. Visit
