FOR IMMEDIATE RELEASE

## Childhood Immunizations Free to those Who Qualify

**Pensacola, Fla. (May 31, 2016)** – Escambia Community Clinic Pediatrics at Lakeview Center provides immunizations for children. Under the Vaccines for Children Program, the immunizations are free to those who have state-issued insurance, no insurance or if certain private insurance doesn't cover a particular immunization. Each child will receive a physical at this visit and an opportunity to address any concerns or issues they may have. A small administrative fee may apply to non-insured clients, but options are available and financial counselors can help facilitate that process.

Escambia community Clinics, Inc. serves all patients regardless of ability to pay. Discounts for essential services are offered depending upon family size and income. The clinic is located at Lakeview's Children's Services Building, 1221 West Lakeview Ave., on the second floor. Hours are Monday through Friday from 8 a.m. until 5 p.m. The number to call for questions or to schedule an appointment is 850.429.6993.
