

Dear Chamber Partners and Community Members,

I invite you to support **Nicole Stacey**, Pensacola Beach Chamber of Commerce President & CEO, as a Local Celebrity Dancer for **Life's a Dance while donating to a great cause -- Covenant Care**. Presented by Fred Astaire Dance Studio of Pensacola, the 8<sup>th</sup> Annual **Life's a Dance** is a star-studded evening of dance featuring local celebrities -- Nicole Stacey! -- and cast members of ABC's hit television series, *Dancing with the Stars* including Tony Dovolani! This year's event will be held at 7 p.m. on Friday, June 17, 2016 at the Pensacola Saenger Theatre. **I am asking that you support Nicole in raising money for this charity in hopes to win the "People's Choice" Award.** By donating you are voting towards Nicole's goal and the award winner will be announced on stage the night of the event. I want Nicole to be the one who has raised the most money to support this great cause.

***How do I give?***

Visit Nicole's dancer page at <http://lifesadance.kintera.org> and click on "GIVE NOW." It is as easy as that and it is tax-deductible. Online voting will close Friday, June 17 at 7 p.m. (the start of the show). There will be an area in each of the Saenger lobbies the night of the event as well for people to last minute vote. This

will close after intermission so we will have time to tally all of the votes to determine the winner.

***Where does the money go?***

To Covenant Care's unfunded and non-reimbursed programs. As a 501(c)3 not-for-profit organization, Covenant Care provides end-of-life palliative care based on need and not on the ability to pay. Along with caring for many indigent patients, Covenant Care provides services and programs not covered by Medicare, Medicaid or private insurance including Bereavement Services, an array of children's services including Camp Monarch for bereaved children, spiritual support services and Volunteer Services.

As you can see, your support will truly make a difference, and it will help Nicole win the "People's Choice" Award the night of the show.

Once Nicole has completed Life's a Dance, we will update you on her success. I hope you will support Nicole in this exciting and worthwhile event that reminds us all how precious life truly is.

Please contact me with any questions. Nicole appreciates your consideration and support. [Click Here to donate for Nicole!](#)
