“Every year I am honored to be a part of such a vibrant, community-based event. As the support grows, so does the word of mouth and we had the ability to balance a robust lineup of incredibly talented local musicians along with those coming through on national and regional tours,” said Rachel Mayew, Donor Relations Manager for Covenant Care. “The musicians and their fans coming together for an incredible time, knowing they’re helping others when they need it most, builds an undeniable, positive energy that defines Thrive Music Fest!”

All proceeds from Thrive Music Fest will benefit the unfunded and non-reimbursed hospice programs offered by Covenant Care, including children’s support, bereavement support, spiritual care and charity care.

“There really is a team approach to Thrive. Green Door Music Hall and Downtown Cinema Plus have helped to promote and build this event over the past two years and a host of returning sponsors including City of Fort Walton Beach Redevelopment Agency, the Emerald Coast Professional Firefighters Council in memory of Doyle H. Simmons, Home Instead, PriceBeat Music, Aurallimage and the Boeing Employees Community Fund, along with new support from the Wal-Mart stores in Destin, Niceville and Fort Walton Beach, make this event possible,” said Mayew.
