Baptist Cancer Institute to Host Free Skin Screening - July 15

Pensacola, Fla. (July 5, 2016) - The Baptist Cancer Institute is sponsoring a skin screening for the 11th consecutive year. The event is free and will be held on Fri. July 15, 8 a.m. to noon at Casino Beach on Pensacola Beach during the Blue Angels Air Show.

Skin cancer is the most common form of cancer in the United States. Protect yourself and your family by taking advantage of this free screening. Regular skin exams are especially important for people who are at higher risk of skin cancer, such as people with reduced immunity, people who have had skin cancer before, and people with a strong family history of skin cancer.
