**Briana Wigley Named Director of
Business Health—Panhandle Market West of HCA**

July 6, 2016 (Pensacola, FL) – **Briana F. Wigley**, MS, CHES has been named Director of Business Health—Panhandle Market West of HCA. In her new role, Wigley helps area businesses and industry to create an overall culture of health in their respective workplaces by providing health screenings and ongoing health education. In addition, she serves as a liaison for area businesses and assists them with their unique healthcare needs. Wigley’s area of responsibility encompasses four hospitals in the panhandle of Florida—West Florida Healthcare in Pensacola, Ft. Walton Beach Medical Center, Twin Cities Hospital in Niceville and Gulf Coast Medical Center in Panama City.

Wigley holds Bachelor of Science and Master of Science degrees in Community Health Education from the University of West Florida where she earned academic honors. She also holds certification as a Certified Health Education Specialist (CHES) from the National Commission for Health Education Credentialing, Inc.

Originally from Illinois, Wigley has more than ten years of experience in business and occupational health. Prior to her promotion to Director of Business Health for the Panhandle Market West, she began her career at West Florida Healthcare in 2011 as Business Outreach Coordinator where she was responsible for the development and growth of the new business health service line.

(more)

In addition to the National Commission for Health Education Credentialing, Inc., Wigley is a member of the Greater Pensacola Society for Human Resource Management and the Bay County Society for Human Resource Management.
