ECSD School-Age Child Care Registration Information Starts August 3, 2016

Pensacola, FL: The first day of school in Escambia County this year is August 10. As parents get ready for the kids to return to school, many also need to make their arrangements for after-school child care. Some of the schools offer their own program on-site, while many others work with Campfire, Childhood Dreams, Creative School Age Child Care, or the YMCA. Registration for all on-site child care begins Monday, August 3, 2016.

“Our mission is to assist families by providing affordable, high quality child care on-site,” explained Aisha Adkison the ECSD School-Age Child Care Coordinator. “Our schools’ points of contact, as well as the other agencies who work with us on our campuses, will be available to help families with the registration process starting next week. We all urge parents to make contact as early as possible, to help everyone plan for a smooth transition on the first day of school.”

Contact numbers for each childcare program are listed below. Additional information can be found on the ECSD Workforce Education page at to <http://ecsd-fl.schoolloop.com/career>. The direct link to their School Age Child Care page is:
