

---

Dear Community Members,

Thank you so much for the feedback we have received so far regarding food trucks on Pensacola Beach. We now would like to focus on a few concentrated questions. Please note that the request is for mobile vendors to operate on Leasehold property ONLY, and not on public property.

1. Would you be open to food trucks that have limited days and hours of service?
2. What about other forms of mobile vending? Ice cream vans driving through residential neighborhoods?

Please let us know your thoughts, questions or concerns by July 19th.

---

Sincerely,

Nicole Stacey
